Dear Traffic Safety Advocates,

We value your commitment to bettering our roads and highways. Thank you for your service. As a group of driving school owners, we encourage connections that enhance traffic safety and hope that you will consider networking with us.

Please join us this fall for our International Conference in Santa Ana, CA from October 27th – 30th, 2025. Driving school owners from across the United States and Canada come to the exhibit hall in search of products and services that will help relieve their businesses pain points. When you showcase your company and connect with these decision-makers to help solve their challenges, it's a win-win-win for the school owners, your company and the DSAA.

What's Included?

In addition to specific sponsorship events/items, each Partner and Exhibitor will enjoy complimentary admission to all seminars, events and meals as well as booth space and an ad in our program booklet. If you would like to donate a product or service to the attendee swag bags (approximately 150) or individual items to the raffle, please indicate this on the registration form.
