January 2020

Dear Traffic Safety Advocates,

We value your commitment to bettering our roads and highways. Thank you for your service. As a group of driving school owners, we encourage connections that enhance traffic safety and hope that you will consider networking with us.

Our upcoming International Conference will be in Montreal, Quebec, Canada on October 14-17, 2020. Please accept this invitation to join us in partnership and exhibiting.

Driving school owners from across the United States and Canada come to the exhibit hall in search of products and services that will help relieve their businesses pain points. When you showcase your company and connect with these decision-makers to help solve their challenges, it's a win-win-win for the school owners, your company and the DSAA.

The Opening Reception, daily lunches and breaks are served in the exhibitor room to make interactions convenient for everyone. Seminars are separate so that you have the flexibility to meet with potential clients at your booth throughout the day. There will be an opportunity for you to present your product/service in which you will need to have a 2-3 minute pitch prepared.

What's Included?

Each partner and exhibitor will enjoy complimentary admission to all seminars, events and meals as well as booth space and an ad in our program booklet. If you would like to donate a product or service to the attendee swag bags (approximately 150) or individual items to the raffle, please indicate this on the registration form.

Exhibition Schedule:

Table with 2 columns: Exhibitor Set Up / Events and Exhibition Times. Includes dates from Wednesday, October 14, 2020 to Friday, October 16, 2020.

Registration Deadline: Please complete your registration form or sign up on our website DSAA.ORG by August 31, 2020 to ensure your place is reserved and your ad is included in the conference program booklet.
